## Explanation of changes and other important information

We will automatically calculate your goods and services tax/harmonized sales tax credit and any related provincial credit based on your family net income, province of residence, marital status, and qualified children. If you qualify for any credit for July 2016 to June 2017, we will let you know in July.

Based on this assessment, you have unused federal and Ontario tuition and education amounts of \$60,963 and \$59,521. You can carry forward these amounts to later years. To make sure we calculate your unused amounts correctly, you need to file a return each year, even if you have no income to report.
